ANNOUNCEMENTS: As of this early typing date, the Canadian Postal Strike is settled, but no item had been heard from even one soul of Canadian living...

We have game openings in THE YOUNGSTOWN variant for just \$1 gamefee + 50¢ refundable deposit... MAPS PROVIDED IF YOU NEED *em. **ONE SPOT LEFT**

3. YV maps are on sale for just 50¢ each. However, the maps will be delivered after the game is filled, (YV), and that is that!

4. We also have openings in regular Diplomacy, and the gamefee is ~~x~~ your new subscription for new subscribers, or \$1 otherwise.

5. We have game openings in one game of Electoral College, ~~xxx~~ which I will probably participate in, but I'm not sure. I know of one interested soul. The gamefee is \$1, and the winner will get all the money of the gamefees (i.e. If 5 people enter, the gamefee is always \$1, and the winner gets \$5 (except if you are a resident of any un-North American land, in which the winner would receive \$4.90, due to extra mailing costs...)). WHY NOT JOIN??? We will probably have 5 players playing, and a \$5 prize is not bad at all. Rules to Electoral College are in issue #2 of CENTURION, and that is available for just ~~30¢~~ 30¢, and in that issue ~~x~~ is my houserules (are), and why not get an extra copy? Reminds me, I must print ~~xxx~~ up some more of those...

6. SUBSCRIPTIONS ARE 8/\$2. Most zines are now at 8/\$2 (or higher), and that does not include the gamefee. Remember, CENTURION is the best Diplomacy zine south of Ventura Blvd. and North of the Santa Monica Mts. How many other zines are there in those limits...

turn to page2turntopage3turntopage4turntopage5turntopage6turntopage7turntopage8turntopage9turntopage10 but first turn to page 2, ~~xx~~ then 3, then 4, then 5...

I DO BELIEVE THAT CENTURION #14 is the only CENTURION #14 around, and subscriptions to this masterpiece are only 8/\$2 and that includes playing in a regular game. Extra games are only \$1. \$1 buys traders a game entrance. YV carries a gamefee of \$1, and a deposit (refundable if no NMR) of just 50¢ + sub. Back issues (see below) are available, and the prices are listed below. We PAY 4 free issues for articles over 1 page, and 2 free issues for those less than that. Electoral College was invented by Frank McIlvaine, and is available in CENTURION #2. In CENTURION #4 are the rules to the Bourse. Diplomacy was invented by Allan Calhamer, and is trademarked by Games Research, Inc., Box 18-N., Boston, MA 02118. Guess that's it.

 BACK BAAACKKKKKKKKKKKKKKKKKKK BBBBAAAAAAAAACCCCCCCCCCCCCCKKKKKKKKKKKKK!!!!
 ISSUES ISSSSSSSUESSSSSSSSSSSSS ISSSSSSSSSSSSSSUUUUUUUUUEEEEEEEEESSSSSSSS

Our back issue situation is as follows: We have 4 issue #1's, 5 issue #2's; 17 issue #3's, about 5 issue #4's, 7 issue #5's, 12 issue #6's, no issue #7's; 5 issue #8's, 3 issue #9's, 2 issue #10's, 2 issue #11, 1 issue #12, 3 issue #13. Back issues are available for the rest of the year at 10/\$2, 4/\$1, or 30¢ each. This sale ends December 31, 1975, and on January 1, 1976, the regular rate of 30¢ each will become effective once more. Why not get all the Centurion's you've missed? And the issue #1...CENTURION #1 is not worth the money, it is 3 pages, xerox, with one bad article. Wellllllllllllllllllll.....

"Okay, you be good and I'm sure you'll get some nice toys for Christmas. And what do you want for Christmas? Oh, you're that *\$@%#* reporter, Well, as I was saying, we sent the Russian Culture Commission on leave to Galacia, and for protection we sent along the Second Army Group--these Austrians are too trigger-happy. Why can't they ~~be~~ just welcome us with open arms into Budapest? 'Tis the season to be jolly, ho ho ho..."

As to the allies of the Great ~~Austrian~~ Romanov Empire, the Tsar stated that the Gott Strafe England and Alles ~~xxx~~ Uber Deutschland were carryovers from an alternate world (code termed "game"), in another set of alternate worlds (code termed "zine"), to wit Game Larry's Game (1975GV) in zine Diman. "Any resemblance to affairs in this zine and world is purely accidental. We are allied with both the great ~~warrior~~ race of the Hun and the Hawaaiian-(())British, and ~~x~~ the noble Turks are helping to ~~xx~~ make sure our visitors in Austria-Hungary incur no damage. Also we have a non-aggression pact with the French--they're sending my court 300 women as a Christmas present..."

No further comments could be elicited from the Tsar except that he wished friends and (God forbid) foes alike a Merry Christmas, and this reporter echoes these ~~statements~~ sentiments.
